
The IRB is looking for postdoctoral talent: Swiss Postdoctoral Fellowships (SPF)

We invite (prospective) postdoctoral fellows to express their interest in working at the IRB through support by the Swiss National Science Foundation competitive funding-scheme

Swiss Postdoctoral Fellowships (SPF)

Applicants from anywhere in the world can apply to obtain a 12-24 month fellowship in Switzerland ([more info](#)).

General eligibility criteria

- Candidates must have earned a PhD \leq 8 years ago at the time of submission;
- Candidates must not have resided or carried out their main activity (work, studies, etc.) in Switzerland for more than 12 months in the 36 months immediately prior to the submission deadline;
- Candidates must already have demonstrated an outstanding track-record of achievements for their level of seniority.

IRB Application

Eligible candidates are invited to apply by sending to our Grant Office Team (grantoffice@irb.usi.ch):

- a CV, major achievements and research output list (structured as indicated on [SNF Portal](#));
- a 1-page motivation letter stating in which [IRB lab\(s\)](#) they would like to be hosted and describing which expertise they would bring to the hosting lab, their research interests and career plans.

The applications will be pre-screened and the candidates with positive evaluation will be contacted by the relevant Group Leader for the next steps.

Deadline for the IRB application: **September 30, 2024**
